### ***FOR IMMEDIATE RELEASE***

#### **LT Environmental Hires**

**Denver, Colo.** — LT Environmental, Inc. (LTE), a Denver-based environmental engineering firm, has announced the hiring of Jeffrey M. Citrone as the Health and Safety Manager. Mr. Citrone is a Certified Industrial Hygienist (CIH), a Certified Safety Professional, a State of California Registered Environmental Assessor, and a State of Wyoming Professional Geologist. Mr. Citrone has over 32 years of experience in the environmental, health and safety field, including OSHA, EPA, and DOT compliance.

Mr. Citrone has been recognized as the 2010 Industrial Hygienist of the Year by the Rocky Mountain Section of the American Industrial Hygiene Association, and he is also the acting Vice President of the American Society of Safety Engineers Colorado Chapter.

Mr. Citrone will be based out of LTE's Denver-area office and can be reached at 303-962-5494.

#### **About LT Environmental:**

LT Environmental is a full-service environmental engineering company specializing in compliance, engineering, and remediation for contaminated properties. LTE is headquartered in Denver, CO, with additional offices in Durango and Rifle, CO; Cheyenne, WY, and Gainesville, FL. LTE helps clients throughout the United States identify and eliminate environmental liabilities. Compliance services offered by LTE include preparation of permits and plans, environmental auditing, and database services for tracking and reporting. For more information about LTE please visit <http://ltenv.com/> or call (303) 433-9788.
